MUMBAI Ship charter rates are likely to be exposed to volatility in the near-term, despite some segments seeing a recovery in pricing, as the demand outlook remains muted, ratings agency IcrA said. However, the ratings agency, in a release on Monday, noted that the negative impact of COVID-19 on domestic shipping sector is milder than anticipated by market during the first half of the current fiscal. The shipping sector has been facing turbulence in the current year due to the COVID-19 pandemic and the impact of containment measures adopted by major economies, which has weighed down on demand, it said. Any sustained improvement will depend on recovery in global economic activity, and demand for commodities and container trade, it added.

■ DGH Invites Agencies for Natgas Price E-auction

NEW DELHI Days after the Union Cabinet approved standardised norms for price auction of natural gas, the Directorate General of Hydrocarbons (DGH) on Monday invited offers for the empanelment of agencies for independently carrying out bidding on an e-platform. DGH said a gas seller has to engage any one of the empanelled agencies for the sale. The government has since 2017 given pricing freedom for natgas production from all fields other than the ones given to ONGC and Oil India Ltd on a nomination basis. Reliance Industries-BP combine and ONGC (for non-nomination blocks) have been auctioning gas to users.

■ Rains Hit Crops in Maha, AP & Telangana

Jayashree.Bhosale
@timesgroup.com

Pune: Late-season rainfall, likely caused by the retreating monsoon, has damaged the harvest-ready kharif crop in Maharashtra and adjoining regions of Andhra Pradesh-Telangana, putting further pressure on the already high prices of onions, pulses, soyabean and staple greens.

Cotton, tomato, vegetables, banana and grape crops have also been damaged.

While states are yet to carry out field surveys to assess the actual losses, they say the highest loss in Maharashtra will be of soybean crop, followed by paddy and cotton. September rainfall has hit the soybean and cotton crops in more than 7 lakh hectares in Maharashtra.

Atmadip.Ray@timesgroup.com

Kolkata: Punjab National Bank on Monday hit the market with tier 2 bonds to raise ₹1,500 crore. The issue is part of the state-owned lender's ongoing capital raising exercise through which it aims to mop up ₹14,000 crore this fiscal.

The bank will soon follow up with another ₹1,500-crore tier 2 issue and a ₹3,000 crore additional tier 1 (AT1) bond issue, which are expected to be completed by November, before it goes for ₹7,000 crore mobilisation through sale of shares, bank chief executive SS Mallikarjuna Rao told ET.

In July, the bank had mopped up

₹1000 crore in tier 2 bonds. Lenders are looking to tal as they are staring at a deteriorating asset quality. The Reserve Bank has advised banks to raise buffers over and above minimum capital norms to tide over the emerging crisis.

"Our capital adequacy is well above the regulatory minimum. It is a structurally important bank. It should have the capabilities to manage any outside risk. That's why we would like to keep our capital ratio at around 13% level."

He said the bank has started the ground work for the sale to institutional investors.

18,000 tonnes of Covid Waste Generated in 4 Months:

New Delhi: India generated 18,006 tonnes of Covid-19 biomedical waste in the last four months, with Maharashtra contributing the maximum (3,587 tonnes) to it, according to Central Pollution Control Board (CPCB) data.

Around 5,500 tonnes of Covid-19 waste was generated across the country in September – the maximum for a month so far.

According to the data received from state pollution control boards, all states and Union Territories have since June generated 18,006 tonnes of Covid-19-related biomedical waste which is being collected, treated and

disposed of by 198 central waste treatment plants.

Covid-19 biomedical waste includes PPE kits, masks, gloves, human tissue

generated with fluids like blood, casts, cotton dressings, blood or

bags, needles, syring

According to the data which has reported 18,006 tonnes of Covid-19 waste in four months. – PTI

अस्पताल सौंपने को लेकर दिल्ली सरकार ने तीनों निगमायुक्तों को पत्र भेजा

नई दिल्ली। एमसीडी अस्पतालों में खराब वित्तीय हालात की स्थिति के मामले में दिल्ली सरकार ने तीनों निगमों को एक पत्र भेजा है। यह पत्र अतिरिक्त निदेशक (स्थानीय निकाय) के माध्यम से तीनों निगमायुक्तों को भेजा गया है। पत्र में कहा गया है कि कोरोना काल में एमसीडी अपने अस्पताल कर्मचारियों को वेतन नहीं दे रहा है और अगर एमसीडी इसमें सक्षम नहीं है तो इन अस्पतालों को दिल्ली सरकार को सौंपा जा सकता है।

इस आदेश में निगमों को कर्मचारियों के बकाए का जल्द से जल्द भुगतान करने के आदेश दिए गए हैं। मामले में यह भी जानकारी दी गई है कि दिल्ली के स्वास्थ्य मंत्री ने इस मामले में स्वतः संज्ञान लिया है। भुगतान न किए जाने के मामले में कस्तूरबा अस्पताल, हिन्दूराव अस्पताल आदि से सामने आए हैं। इससे पूर्व दिल्ली सरकार इन अस्पतालों से कोरोना संक्रमित मरीजों को दिल्ली सरकार के अस्पतालों में शिफ्ट कर चुकी है। (ज.सं.)
